SUBJECT : Attached Memorandum Re Costs Concerning

George:

STATINTL

1. Your memory of my having mentioned a preliminary figure of [REDACTED] is embarrassingly correct.

3. In the meantime, we ran into the fire and life safety matters of which we were not aware, much more physical security protection was necessary than originally envisioned, and the extent of exotic communications exceeded that which we believed was going to be requested.

4. I am trying to arrange a meeting with appropriate people on Friday, 16 April, to see what our options are on this matter.
